ABOUT THE COLLEGE

EASWARI ENGINEERING COLLEGE (EEC), a unit of SRM Group of Educational Institutions for higher learning, is functioning under the aegis of "Valliammai Society". The society was founded in the year 1975 for promoting the cause of Quality Education by Dr. T. R. Pachamuthu, an Academician and Educationist. EEC is headed by Dr. R. Shivakumar, M.D, Ph.D. Chairman, SRM Group of Institutions, Ramapuram & Trichy Campuses. EEC was instituted in the academic year 1996-1997, with the Approval of AICTE, New Delhi. The college is affiliated to Anna University since 2002. The courses have been accredited by NBA/NAAC/AICTE and ISO 9001:2008 Certified by TUV, South Asia.

The college offers 8 Under-Graduate and 11 Post Graduate Programmes covering 'Engineering & Technology', 'Computer Applications' and 'Management'. The college has strong industry-interactions with reputed National and International Organizations.

ABOUT THE DEPARTMENT

The Department of Chemistry, started in December 1996, satisfies the needs of the Engineering Departments and has grown by catering to the demands of the Institution and students. The Department consists of eleven experienced faculty members, of which eight are Doctorates. Three faculty members are pursuing Ph.D. The Department has one Professor, one senior grade Assistant Professor and nine Assistant Professors.

Our faculty members have published 128 papers in reputed National and International Journals. The Department has four Anna University recognized supervisors to guide Ph.D programme. **Our lab has been recognized as nodal centre for collaborative research work with Anna University Chennai.** The Department organizes "Chem Star"- Talent test every year for the students and also releases "Chem Flash" news letter every three months.

ABOUT THE CONFERENCE

National Conference on Recent Trends in Applied Chemistry (NCRTAC – 2016) is being organized in order to motivate and keep students, researchers, scientists and academicians abreast of advances and current trends in topics such as Energy sources, engineering materials, nanochemistry, environmental chemistry, organic chemistry, polymer chemistry, electrochemistry, corrosion etc. The main focus of the conference is to enrich scientific knowledge in the emerging areas and to enumerate the role of energy sources in our day to day life.

Call for Abstracts & Papers

Authors willing to submit their research work should send the abstract (not exceeding 300 words) & the final Paper on or before the specified dates. (Typed on A4 paper, leaving 25mm margin on all sides. Title should be in capitals, Times New Roman, font size 12 & 1.5 line spacing with a hard and soft copy) Papers will be accepted based on the recommendation of panel of referees.

The selected papers will be published in proceedings with ISBN number.

Five best papers will be published in Anna University listed journal.

Sessions focused in the conference

1. Analytical Chemistry
2. Organic Chemistry
3. Physical Chemistry
4. Polymer Chemistry
5. Nanochemistry
6. Environmental Chemistry
7. Green Chemistry
8. Engineering Materials
9. Medicinal / Pharmaceutical Chemistry
10. Electrochemistry and Corrosion
11. Energy Sources

HOW TO APPLY

Registration can be done by mailing the completed registration form along with the fee after acceptance of paper. Participants are required to send the scanned copy of the registration fee receipt. Publication of paper will be done only after the receipt of payment

REGISTRATION FEE

Participants from Industries	: Rs. 1000
Academics / Research Institution	: Rs. 750
