ABOUT THE COLLEGE

Dhanalakshmi Srinivasan Engineering College (DSEC) is the fruit of dedicated efforts of Thiru.A.Srinivasan, Correspondent of Dhanalakshmi Srinivasan Charitable and Educational Trust, Perambalur. Our College is committed to achieve recognition as Institution of Excellence by consistently providing quality education in the fields of Engineering, Technology and Management with professionalism and global outlook ensuring continual improvement. DSEC currently offers 7 UG programmes in Engineering Technology, 8 PG programmes. Our college is accredited by the National Board of Accreditation, New Delhi for four of the programmes namely ECE, CSE, EEE and IT. Our College is accredited by NAAC with 'A' Grade. In recognition of our commitment to quality education, the globally renowned British Standards Institution (BSI), London has conferred our college with ISO 9001:2008 certification in November 2009.

ABOUT THE DEPARTMENT

The Department of Master of Computer Applications was established in the year 2005 in Dhanalakshmi Srinivasan Engineering College. The department dedicates itself for the mission and vision of the institute in imparting high quality education to the student community. The students' knowledge is enhanced through the effective teaching with highly qualified and committed faculty members. The department has fully fledged computing facilities with high end systems in one laboratories. Internet facilities are provided for 24 hours through broadband at 8Mbps.

GOALS AND SCOPE

NCSE is the premier forum for researchers and practitioners to present and discuss the most recent innovations, trends, outcomes, experiences, and challenges in the field of software engineering. We invite submissions of high quality research papers that describe original and unpublished results on any topic of empirical or theoretical software engineering research. We welcome submissions addressing topics across the full spectrum of software engineering, broadly construed. In addressing the question of scope, we seek to be inclusive, provided that your submission addresses issues of concern to software engineering researchers or practitioners (or both).

CALL FOR PAPERS (but are certainly not limited to):

- ❖ Agile software development
- ❖ Autonomic and (self-)adaptive systems
- ❖ Component based software engineering
- ❖ Crowd sourced software engineering
- ❖ Debugging, fault localization, and repair
- ❖ Apps and app store analysis
- ❖ Mobile applications
- ❖ Programming languages
- ❖ Embedded software
- ❖ Human and social aspects of software engineering
- ❖ Search-based software engineering

INSTRUCTION TO AUTHORS

The authors are invited to submit their full paper in Ms-Word document with following format:
