### Abstract:

There are different types of astrology methods to know about the profession in one's horoscope. The purpose of my study is to explain how to determine one's career based on the rules given in the Brigunandi Nadi method by late astrologer and discoverer of Brigu nandi Nadi system Mr. RG Rao.

**Key Words:** Sun, Moon, Mars, Mercury, Jupiter, Venus, Saturn, Rahu, Ketu Retrograde, Interchange, Inimical, Friendly.

### Introduction:

Saturn is the main planet for knowing one's profession in Birugu Nandi Nadi system. One's profession is determined by the Saturn is placed in the Rasi Saturn's Rasi 5, 9, 2, 12 and 3, 7, 11 to Saturn. Based on this, five rules have been developed based on the rules given by Mr. RG Rao and this article explains how one's career is based on those five rules. This article explains rule number 3 to rule number 5 and also gives horoscopes of working persons based on those rules and their interpretations.

### Rule 3:

If Saturn is retrograde, Saturn will have a career related to the planets in the twelfth sign, and it will have a career related to the planets in the fifth and ninth signs. Also, when other planets get retrograde and join Saturn, there will be a career related to that planet's power.

### Explanation:

Twelfth house fifth and ninth houses, fourth and eighth house planet related careers. If a planet in the second house to Saturn gets retrograde or if a planet is placed in the fifth and ninth houses i.e. sixth and tenth houses and gets retrograde, then the business related to that planet will be given.

### Rule 4:

There will be careers related to the influence of the planets having a relationship with Saturn. Also Saturn will have a career related to karakatva of the planets having interchange in 5th, 9th, 2nd, 3rd, 11th and 7th houses.

### Explanation:

When Saturn interchange to other houses, the planets in that house and the planets in 5th, 9th, 7th, 2nd, 12th and 3rd, 11th of that house will have karakatva related occupations. Similarly, when other planets get interchange in 5th, 9th, 2nd, 12th, 3rd, 11th, there will be industries related to the power of those planets.

### Rule 5:

Careers can be established for the person through any two or more of the six rules mentioned above.

### Explanation:

If two or three of the above mentioned six rules are combined in the same horoscope, a person will have a career structure. Through this system, any combination of rules that creates a career opportunity for a person will be a person doing the related professions.
